# Home Composting Demonstrations

**Composting Demonstrations** sponsored by the CCCSWA and instructed by Home Compost Program Instructors Linda Mizes and Billi Haug: Participants can view brief demonstrations that will cover everything from set-up of a compost system to how to use finished compost. Viewers will have the opportunity to ask questions and see and touch compost materials. Composting worms will also be given away to participants for at home use.

Demonstrations are approximately 15 minutes.
